Photographs and Memories

Photographs and Memories
Christmas cards you sent to me
All that I have are these
To remember you

Memories that come at night
Take me to another time
Back to a happier day
When I called you mine.

But we sure had a good time
When we started way back when,
Morning walks and bedroom talks
Oh how I loved you then

Summer skies and lullabies
Nights we couldn't say goodbye
And of all of the things that we knew
Not a dream survived

Photographs and Memories
All the love you gave to me
Somehow it just can't be true
It's all I've left of you.

Another year has flown by. As we look back we realize how much time a teacher may spend out of class working with students. It seems as though we always see Mrs. Mayfield working with Student Council, especially around Homecoming time. In years past she's been involved in Latin Club, AFS, and has helped to raise funds for the Chenoweth swimming pool. For these reasons we say THANK YOU Mrs. Mayfield for being a friend, a helper, and a teacher. We therefore dedicate the 1980-81 Chenoweth to you.

Well sis,

This was it our last fantastically, insane year
at C.H.S. together. We shared a lot of laughs
in those halls. I think we shared a few
ears, too. It's one thing to get an education
but friends are another education. Last
year was great. We'll always remember
the times that we shared. Funny, I
don't think I'll ever forget the look
on your face the night of graduation.
Where you were a tower of strength, there
I was a sniveling mess. One glance
and it was all over. I almost thought
you'd have a tearless ceremony. That
was an emotional night for everyone. I
don't see how anyone could walk away
without a lump in their throat. That
my dear, was also a turning point in
both of our lives. I'll be a little lonely
around here without you, but I'll be okay.
You'll be at school meeting lots of new
people and I'll be here discovering others.
But, just because our high school lives
together have ended doesn't mean the
strong friendship we shared, and still is
will die. I'm confident it will flourish
as we grow in, ah, so many ways.
Old school you carry with you. Making
things, one in memories, and another is all
my life. You are my closest friend. We have
a special relationship. Keep in touch. Love ya
Danielle.

Two years in a row the Birds found the glory of the Play-Offs. With the combined efforts of the team the Redbirds defeated Dee-Mack to give them an at large berth in the State Play-Offs. For the first Play-Off game the Chenoa team traveled to Gilman where the Birds, as the underdogs, made a surprising victory over the Owls. To everyone's delight, Chenoa played Lexington in the State Play-Off Quarter Final game. The stadium was filled to its capacity with exuberant fans for both teams. The Birds held the Minutemen until four minutes were left in the fourth quarter. The Minutemen scored and then scored again. The Birds had lost.

Including this year, Coach Thomas has the most victories in the Chenoa High School coaching records. He has 92 wins and 42 losses.

Memories of Homecoming . . .

October 1-6, 1980

... We Had Joy, We Had Fun

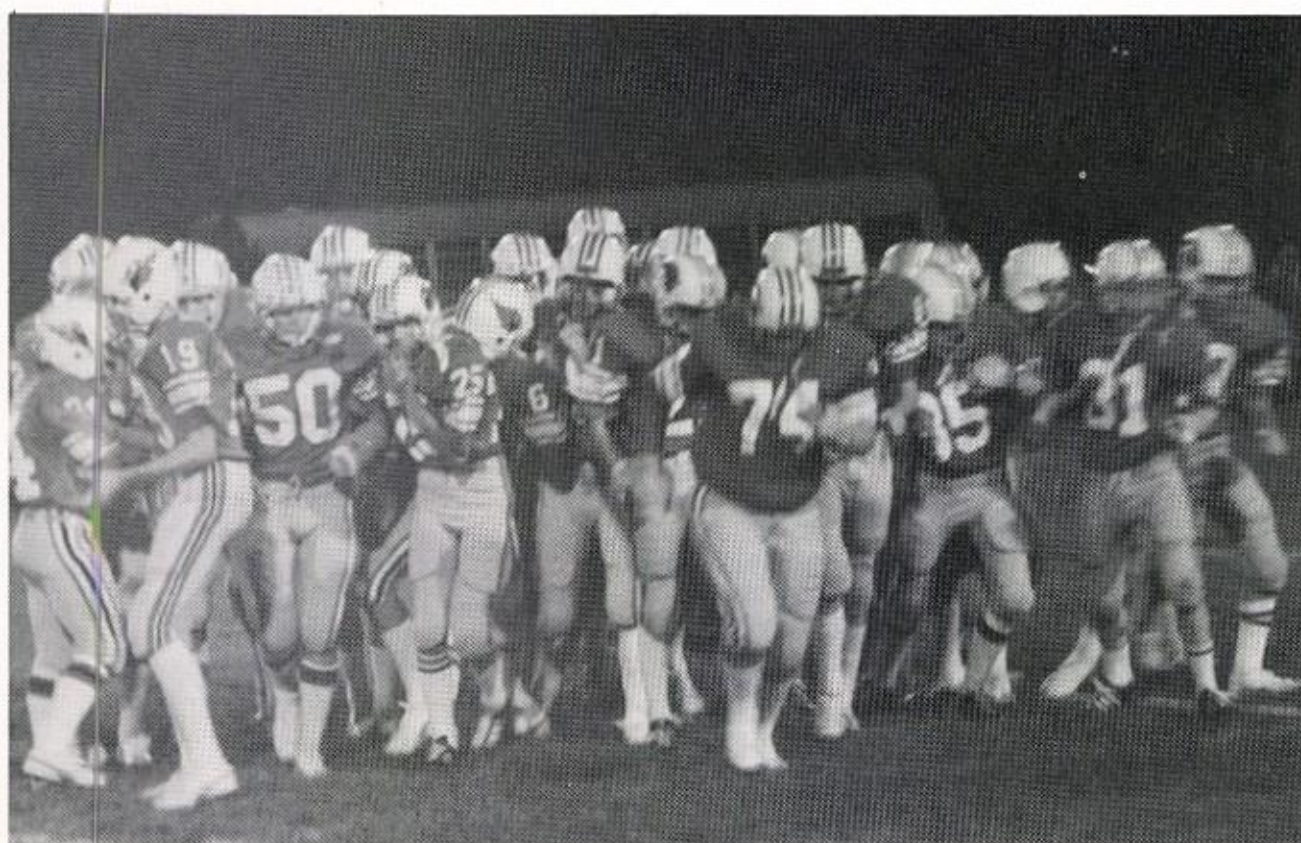

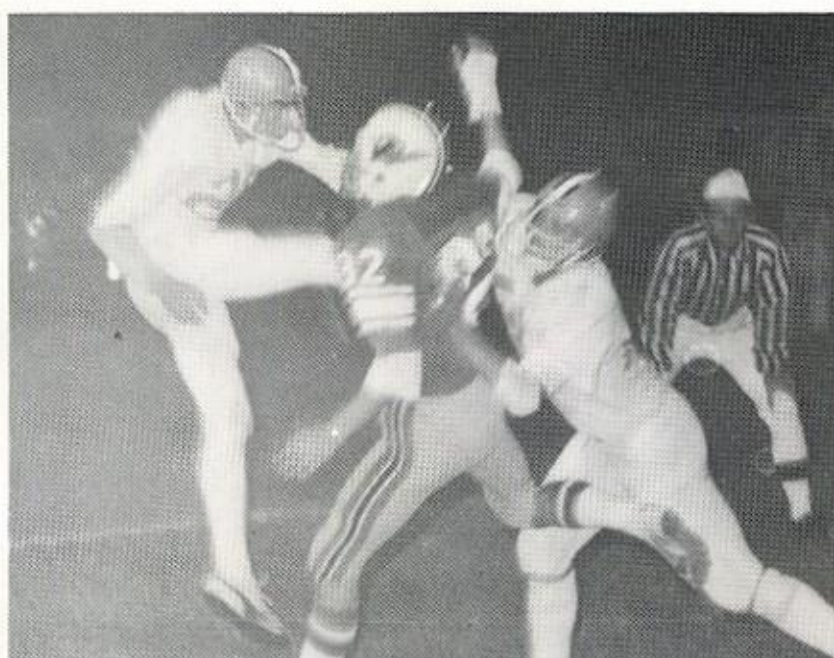

Homecoming week was filled with activities: tug-o-war, beach-ball races, anything goes, clown day, security day, and oatmeal eating, to name a few. The whiffle ball game is becoming a tradition at CHS. Along with winning spirit week, the seniors defeated the faculty in whiffle ball. After the game, the students continued another tradition of painting the streets, making the community aware of the rising excitement for the upcoming football game.

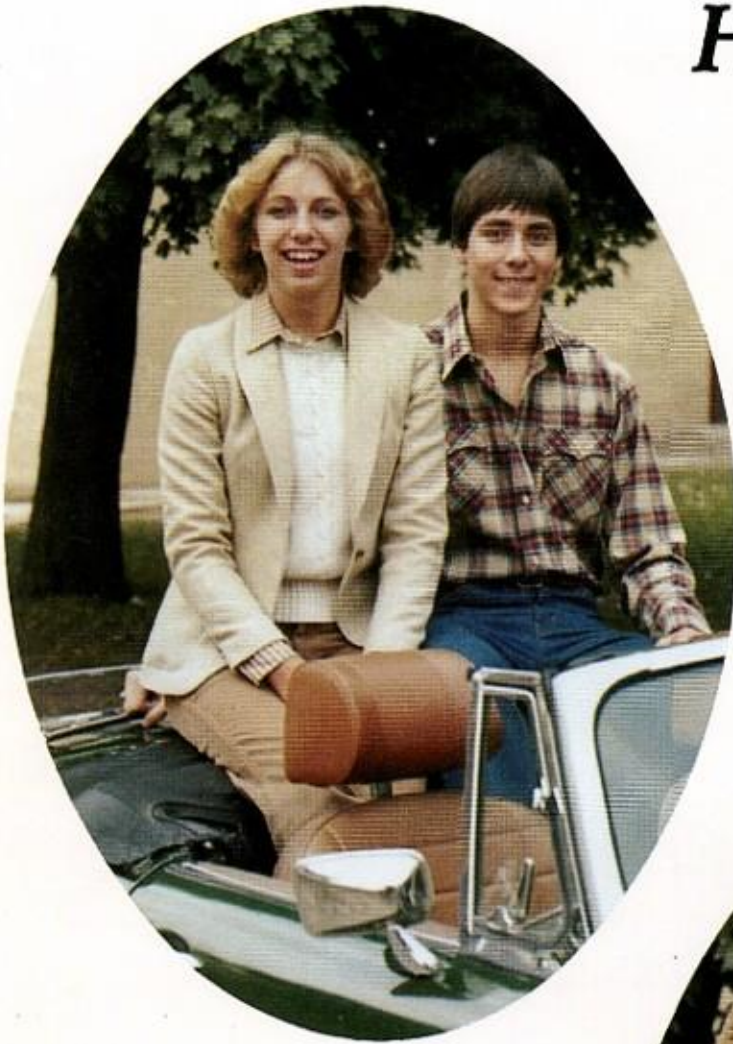

Victory Is a Snap for the Redbirds

Spirit was building on the morning of October 5 in preparation for the game that night. At the homecoming assembly, the band played, the chorus sang, and the cheerleaders cheered. Honored alumnus Tom McIntyre gave a nostalgic talk of his days at CHS; Uncle Gar and Little Tommy gave their version of "Animal Stories"; and the homecoming king and queen were announced. Coach Thomas fired up the players and fans, who kept their enthusiasm up for the game. The Redbirds met the expectations of the crowd with a 43-0 victory over the Flanagan Falcons.

"They're Playing Our Song!"

The night of October 6 marked the first homecoming for the freshmen and the last for the seniors. The dance always brings feelings of anticipation, excitement, and apprehension, and is the subject of conversation long after the music stops. The large amount of work put into the dance is usually not known, except to the members of Student Council. Student Council chose "They're Playing Our Song" (from the Broadway musical) as the theme to decorate the CHS gym. During the dance the court was presented, led by crown bearers Amy Clemmons and Darin Rhoda. A memorable homecoming dance signified the end of homecoming week.

Friday, Nov. 21. 8:00 p.m. Opening night, C.H.S. Gym.

The play this year was actually three stories combined and intertwined into one play. The Simpkin sisters have been experiencing the world. Lillian Gregory had problems making friends until she learned to be herself and enjoy life. Two other passengers, the Watsons, had to deal with Drew Watson's impending death. The Footes had quite a time controlling Hamilton Foote's gambling problem. The crew managed to keep the whole crazy bunch from going overboard. The maintenance crew was a great help at behind-the-scenes jobs throughout the cruise.

Tonight, along with the performance, the FHA served a delicious meal of pork chops Viennese. The meal was served before the performance with Natalie Schleder providing dinner music. Dessert was served during intermission. This was the fourth successful dinner theatre that the FHA and the playcast has presented.

The Chenoa Redbirds finished the season with an improved record of 8-17 under the direction of new Head Coach Terry Field.

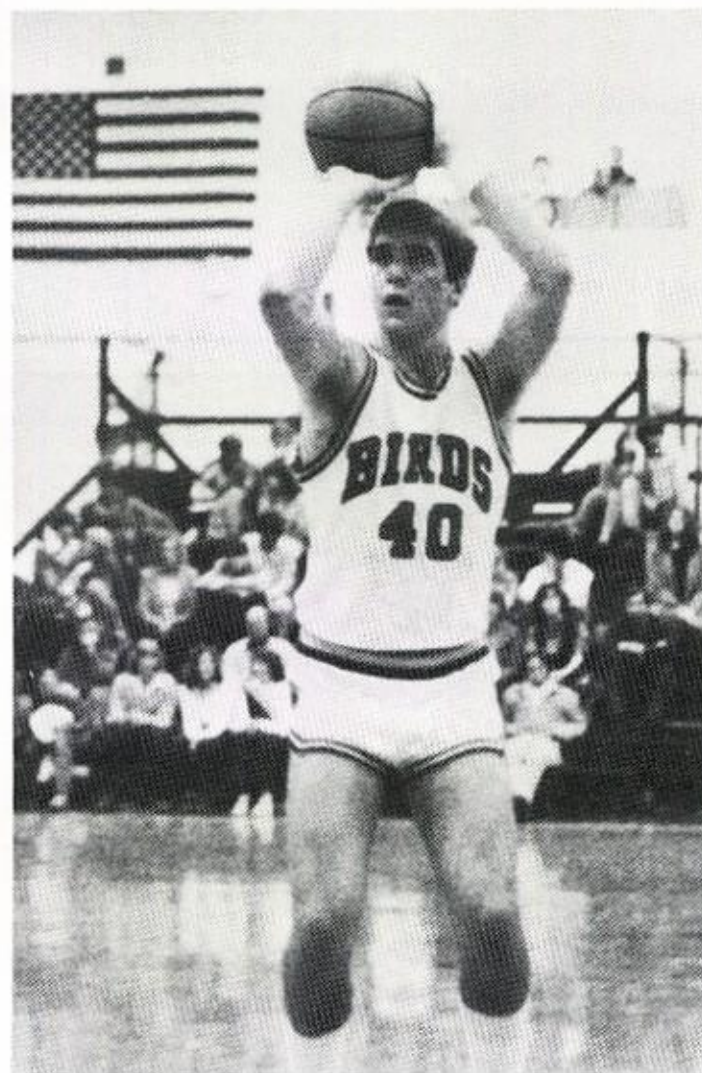

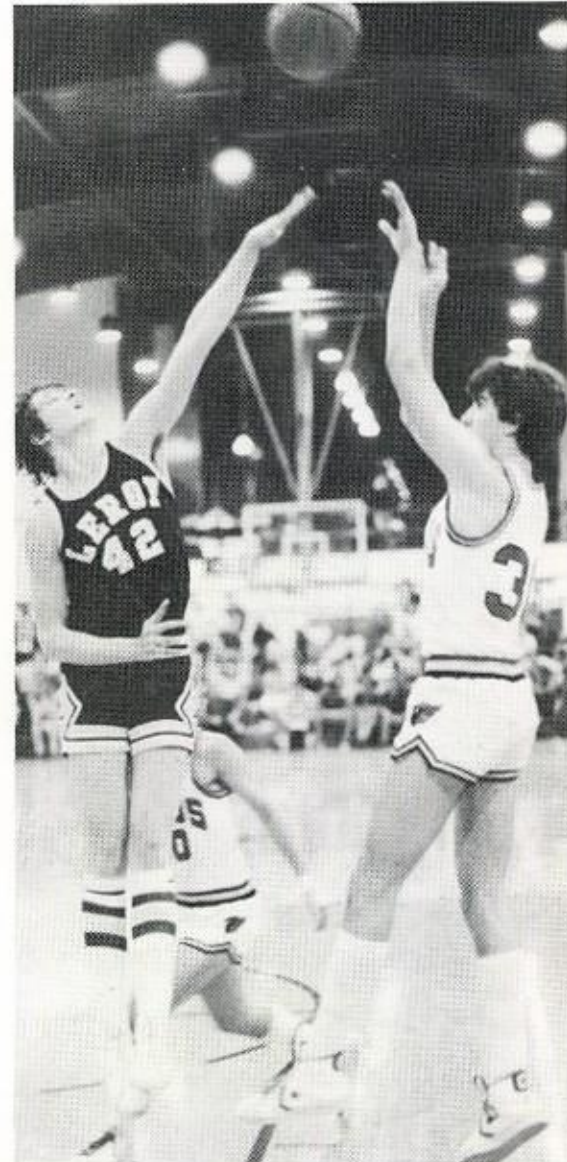

In the Chatsworth Holiday Tournament the Redbirds lost in the first round to Lexington 67-44, then went on to win the next game to Odell 77-55. The Redbirds then played for the Consolation Championship against Cresent-Iroquois, but lost in overtime 75-74. The Redbirds had better luck in the McLean County Tournament where they received the 3rd place trophy in a nerve-racking game against the Gridley Redskins.

The Redbirds went into the Regional Tournament facing their rival the Lexington Minutemen for what turned out to be their fifth loss to Lexington and the final game of the season.

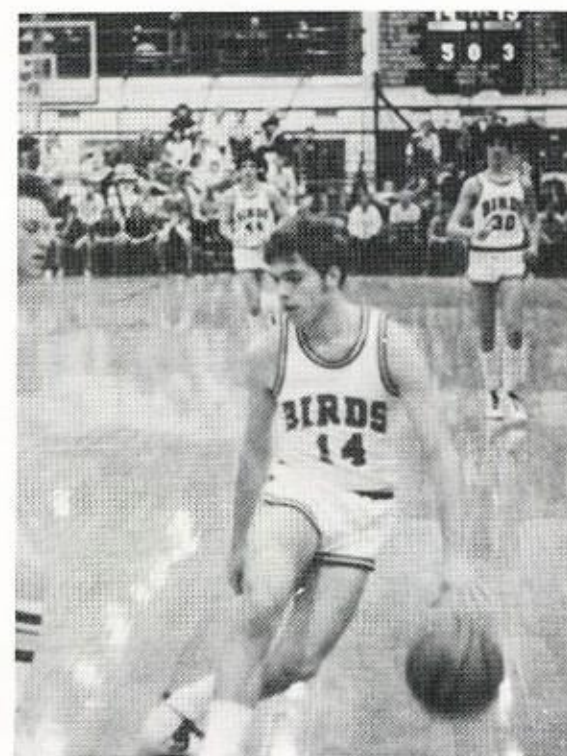

The Jr. Varsity finished the season with a 5-13 record.

Raise Our Spirit High

The Cheerleaders have made it through another great season. Both squads attended camp during the summer. The Varsity squad received the Cheerleading Traveling Trophy at the McLean County Tournament for the second year in a row. Throughout the football and basketball seasons the girls did skits at pep assemblies and pompon routines which were just minor tasks of their enthusiasm. They added spirit wherever they went.

Ladybirds

Coach Baude and the Ladybirds started practice December first with twenty girls. After five weeks of long hard practices, sprints and three minute runs, scrimmages against the Freshman boys and Pontiac girls, fourteen girls were ready to face their first interscholastic girls basketball game in C.H.S. history. This task was made more difficult by two facts; first, their opponents, Cornell, had had six years of experience; second, the game was at home and this made the girls extremely nervous.

The J.V. lost at the buzzer 13-12, while the varsity showed that they were well prepared if nervous. They lost 42-24 shooting only 19% from the field. The season ended as it began, with the girls losing because of poor shooting. They lost to Lexington in the regional semi-finals 46-20.

Are Hatched

Pictured: Coach Baude, J. Jacobs, M. Myer, N. Schleder, S. Curtis, S. Grinnell, J. Gibson, D. Downes, S. Peters, J. Jacobs, and S. Sension.

But in between, the Ladybirds experienced a season of highs and lows; most noteworthy were a 35-30 avenging victory over Bellflower on the regular season finale, and a 47-43 loss to Wapella in the waning seconds of the game.

Coach Baude was aided by statistician, Amy Morris, and team manager, Ronnotia Justus, who attended all games and rooted the team on.

Honorary co-captains were Jennifer Jacobs and Jill Jacobs who showed great leadership during both practices and games. The J.V. ended their season with a 4-7 record while Varsity finished at 7-8.

Individual awards handed out at the Athletic Banquet were:

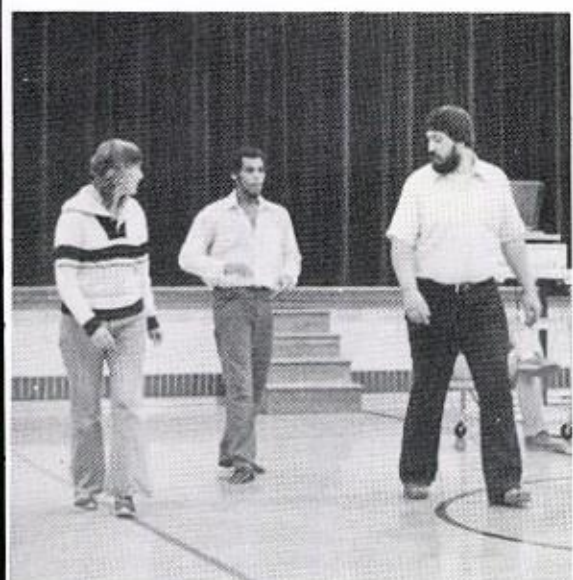

M.V.P.	Natalie Schleder

Most Rebounds	Sue Peters
Highest Free Throw %	Jennifer Jacobs
Top Scorer	Natalie Schleder
Most Improved	Mary Myer

The Student Council provided our students with three assemblies during the fall and winter. First there was the Disco Dancers. They were great at getting the audience involved in their show. The Kevin Mitchael Puppets were next. She gave a good performance. Then Marj Bly presented a program on mime, its types, and history of the art. Some of the assemblies are enjoyed, others are not; but everyone enjoys getting out of class.

Soon after football season was over, wrestling became the main thought of a few. Working out before, during, and after school was soon a must for the wrestlers. In order to be a good wrestling team the wrestlers stayed until 6:30 P.M. almost every night, lifted weights, and counted calories. Because they worked so hard, four wrestlers made it into the Hall of Fame. This was an outstanding individual accomplishment. Tim Thomas and Bill McKinsey advanced to the sectional tournament in which each placed fourth.

The Redbird Scholastic Bowl team competed in matches all over the state during the 1980-81 school year. Competition began in Eureka with the Scholastic Showdown in October. Later both the varsity and junior varsity teams fared well at the 24 team Minonk Invitational. Mike Power was selected to the JV all-tournament team and Jennifer Jacobs and Lisa Cooney led the varsity with 17 and 16 toss-up answers respectively. Later tournament efforts at Streator, Wenona, Kewanee Wethersfield, Chenoa and Mt. Pulaski did not yield trophies but some did excellent in individual efforts. Mike Power was again selected to Chenoa's All Tournament team. The year was culminated by a great team effort at the Midstate Conference tournament where, after losing to El Paso, the varsity team went on to win the consolation championship in an exciting match with Flanagan. A final trophy was garnered at the Roanoke tournament with Chris Eash being selected to the All Tournament team.

The last match of the year pitted Chenoa's varsity against arch-rival Lexington in one on one competition in front of the Lexington Kiwanis Club with Chenoa winning an exciting match to cap a good year. Jennifer Jacobs and Lisa Cooney made the Scholastic Bowl Hall of Fame, each answering over 30 toss-up questions.

Sharing the Night Together

The FHA-FFA Sweetheart dance was held February 14, 1981. FHA-FFA members came early Saturday to decorate the gym. That night the gym looked great! It was a perfect night for a dance. Music was furnished by Dean Hackbarth, a disc jockey from the Poison Apple in Bloomington, Illinois.

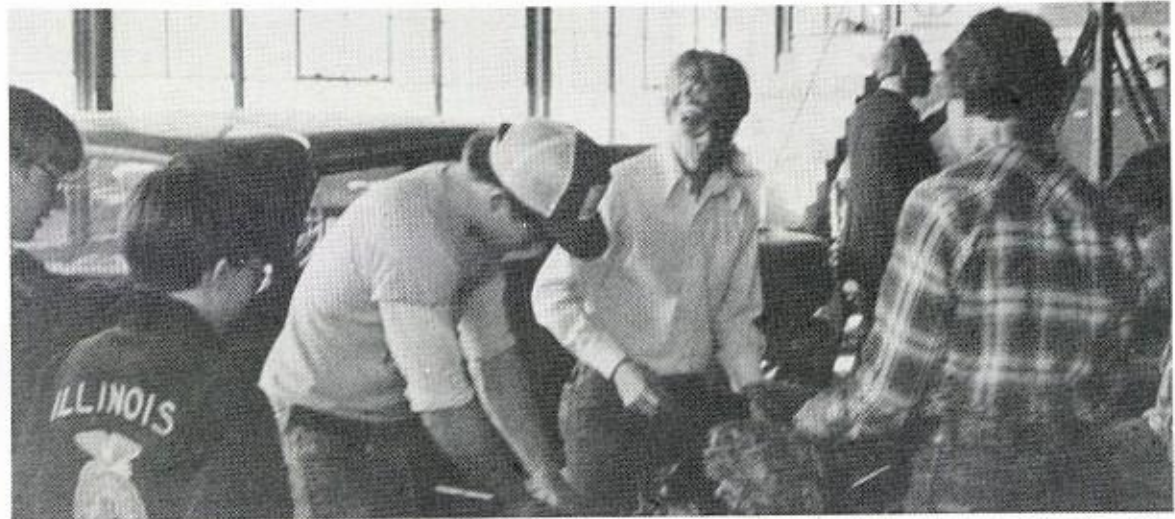

FFA and FHA Put It Together

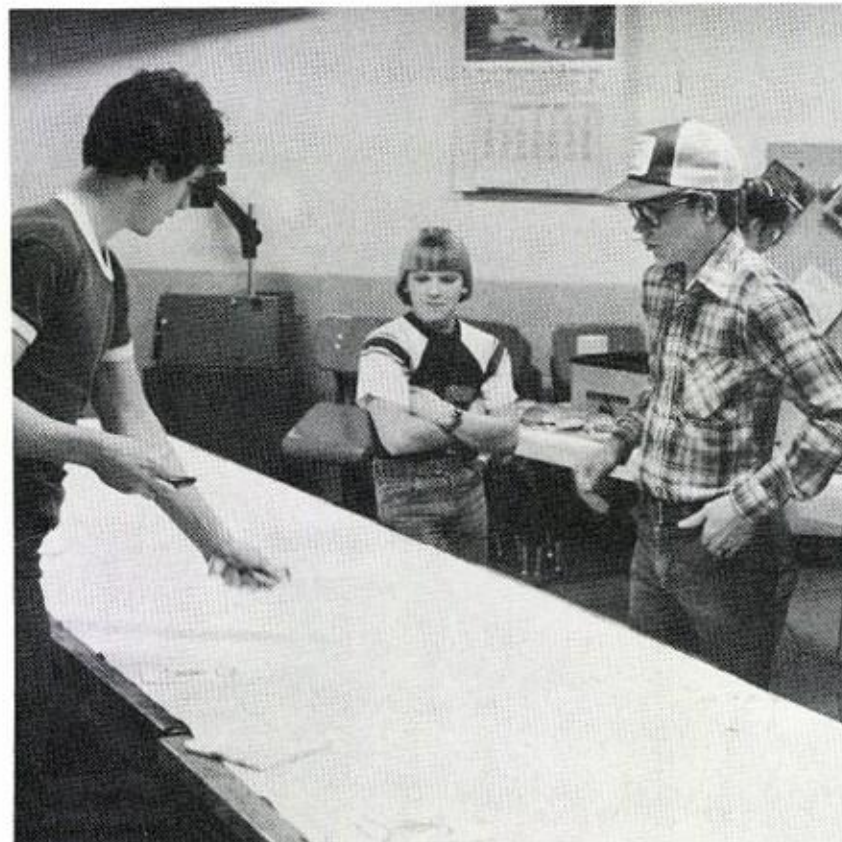

The FHA officers had an active week planned but due to a snow storm only 2 days of the week were observed. During the week foreign foods day and a box social were held. The girls made \$19.00 from the box special. They also sponsored the Valentine's Dance along with the FFA.

The FFA week began with Dress up day and an all school assembly on Home and Fire Safety and concluded with Farmer Day and a pig roast at noon.

Rhoda. The backing by a fine defensive team which allowed only 32 runs in 15 games also highlighted the teams performance.

The team had the ability to score clutch runs. Overall it compiled a team batting avg. of .285, while the pitching and defense held the opposition to just 2.2 runs per game. Ten Redbirds will be returning to next year's team.

The Juniors started arriving at 7:30 a.m. to decorate the ballroom at the Elm's of El Paso. With a lot of hard work the ballroom turned into a sparkling, starstudded dream. The theme was "Always and Forever". The colors were silver and blue.

The event everyone had waited for started at 6:30 p.m. on Saturday, May 9. The Prom had come at last! The Front Page was the entertainment for the evening, after a delicious buffet dinner. Before anyone knew it, it was time to leave. The magic of the night had only begun.

Something for You

The Spring Concert started off with a bang as Becky Coleman, the student teacher, directed the first number entitled "Prayer and March". Following that a saxophone trio played and the band under the direction of Richard Whitver played four more songs.

The audience then enjoyed the choral part of the program. Performing groups were Sophomore girls ensemble, Madrigal, Freshman girls ensemble, a solo by Ellen Gramm, Swing Choir, Girls chorus, Boys chorus, and Mixed chorus. The art department displayed their projects they had made during the year also that evening. Music awards were given out to all students who received a first place rating in the music contest.

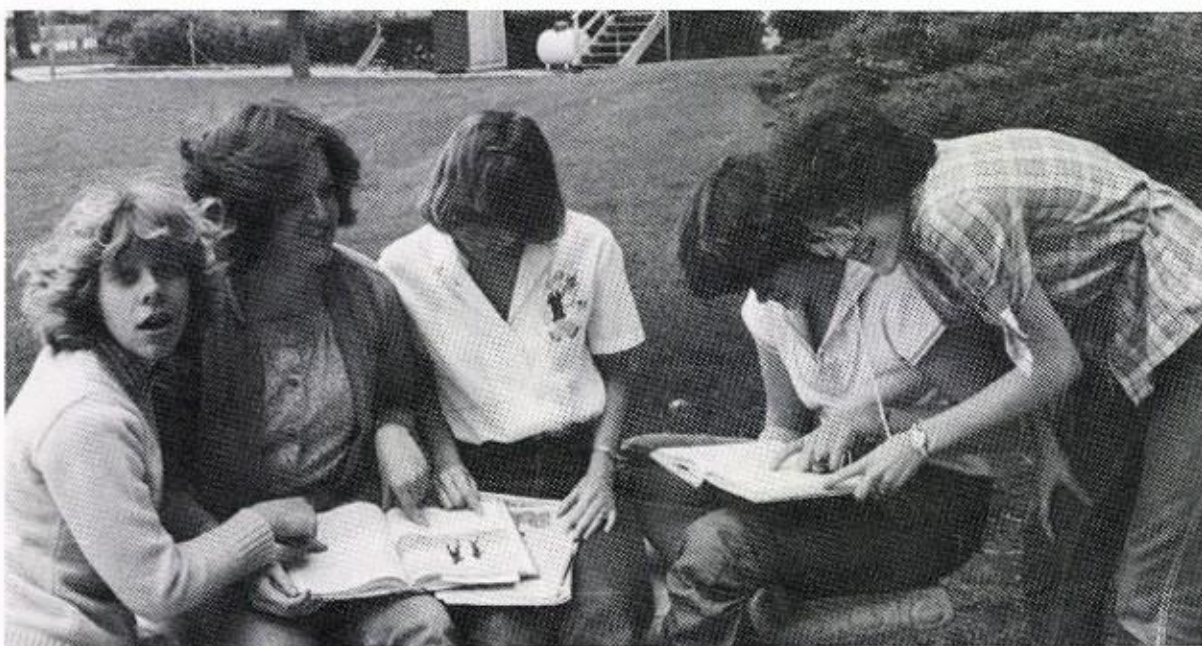

THESE BENCHES
IN MEMORY OF
MICHAEL L. ESTES
1972 GRADUATE

Over the years we have had many wonderful people pass through the doors of Chenoa High School. Michael Estes attended CHS from 1968 to 1972. Mike was an outstanding athlete. As a senior, he was an all-conference linebacker and quarterback. Mike was selected most valuable player on the basketball team his senior year. Mike holds our school record for pole vaulting at 13 feet, 1 1/2 inches.

As a senior, Mike was selected our SAR citizenship winner. Mike was Homecoming King his senior year. Mike was also involved in Student Council, Annual Staff, and Band. After graduation, Mike attended Mili-kin University.

On December 23, 1979, he was working as a salesman for E. B. Brown and was involved in an auto accident at Elgin, Illinois. As a memorial to Mike, two concrete benches were added at the front doors and two at the south doors of the school. Therefore, in memory of Michael Estes, we dedicate this page.

Students using the benches.

Athlete's Feats

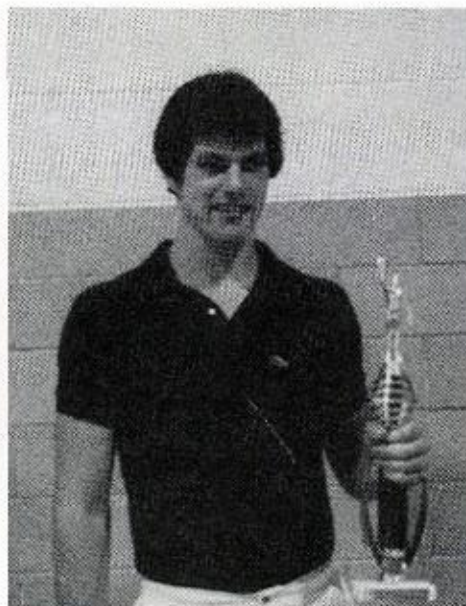

The Chenoa High School Spring Athletic Banquet was held on May 21, 1981 with Weldon Fogal serving as M.C. Those sports honored were wrestling, boy's and girl's basketball, boy's and girl's track, and baseball. Baseball letters were handed out, but individual awards were not given out due to another game left in the season. The Honorary "C" was awarded to Jim Caviezel in recognition and appreciation of 39 years of sports reporting service to Chenoa. Phil Piercy was this year's recipient of the Don Taylor Memorial Award. The cheerleaders voted Lori Seeman Outstanding Cheerleader. Each sport picks an individual that has contributed the most during the season as the MVP. These are as follows: Wrestling, Tim Thomas; Boy's Basketball, Todd Reeser; Girl's Basketball, Natalie Schleder, Boy's Track, Tom Streid; Girl's Track, Sue Peters; and Baseball, Chuck Raby. Todd Reeser was named Jaycees Athlete of the Year. Sue Peters was named the Girl Athlete of the Year.

The Memories . . .

Yesterday is but a dream,
Tomorrow is only a vision.
But today well lived makes
Every yesterday a dream of happiness,
And every tomorrow a vision of hope.
Look well, therefore, to this day.

By the time school had started, Annual Staff was well under-way. Ads had been sold during the last month of summer vacation and when the doors were opened for classes, magazine sales began. Deadlines came and passed while the book took form, and Thursday afternoons turned from bad to worst for most. But when the work was done and the annual was completed, the members all agreed, Annual Staff was fun.

Hey! Kim has a brainstorm.

Concession stand workers hard at work.

The year was started off by the big task of planning homecoming week. Members gave up their noon hours and extra time to complete their plans. The whole week was a success.

Student Council sponsored five assemblies for the students. Our Student Council participated in the Mid-State, Cenois, and the Illinois Association of Student Councils. The Student Council helps to express the feelings of the students and makes students aware of the importance of leadership.

To be a member in the National Honor Society one must demonstrate qualities of Character, Scholarship, Leadership, and Service.

This year the members celebrated Christmas by having a gift exchange. They also went out to eat to discuss the induction of new students.

At the end of the year a scholarship is presented to the outstanding student in National Honor Society, as determined by a vote of the members.

This year Library Club had seven members and Mrs. Jacobs was their sponsor. Halloween and Christmas parties were enjoyed by the members, and a cook out was held in the spring. A bake sale was sponsored to raise money to buy new books for the library.

The primary function of Library Club is to interest people in reading. Sectional meetings were attended by the members. The members also help in the library throughout the year.

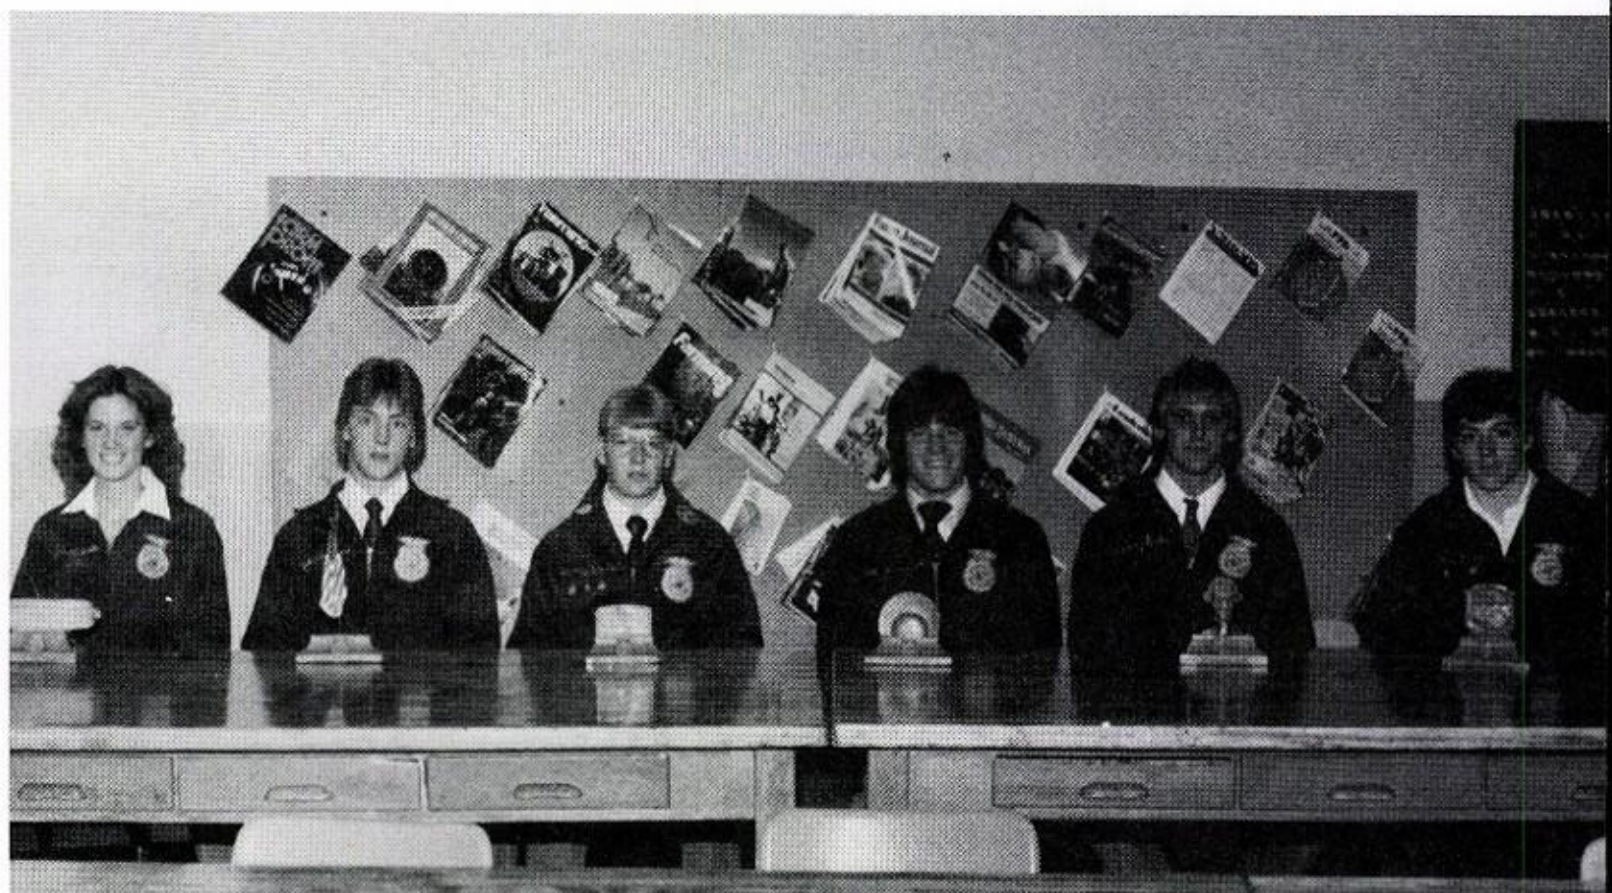

FFA Clicks

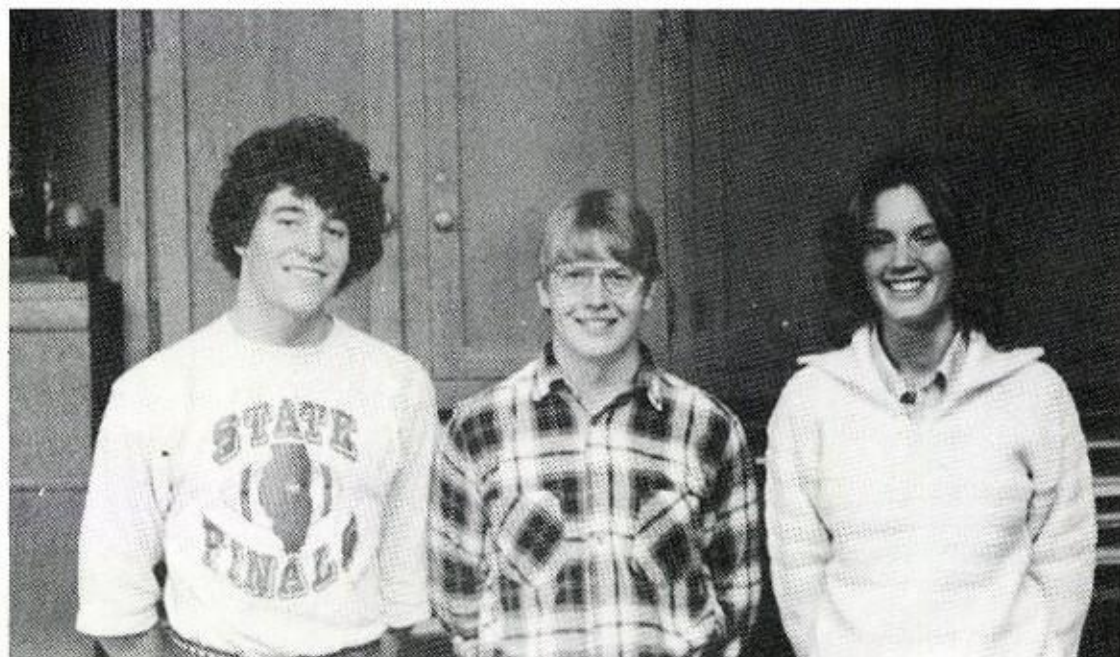

FFA, Future Farmers of America, met monthly. The year's activities consisted of an annual seed sale, during which they sold all types of seeds. In October they had the green hand initiation for all new members. During the month of January a pig judging contest was held at the test farm at ISU. They also had an all school assembly; Doug Sommers held a safety demonstration. The FFA also fielded a FFA basketball team and competed against neighboring schools. In February they helped sponsor the Valentine's Dance with the FHA. Their sponsor was Howard Zimmerman.

In Time

Rifle Corp.: N. Schleder, L. Cooney, and D. Knott.

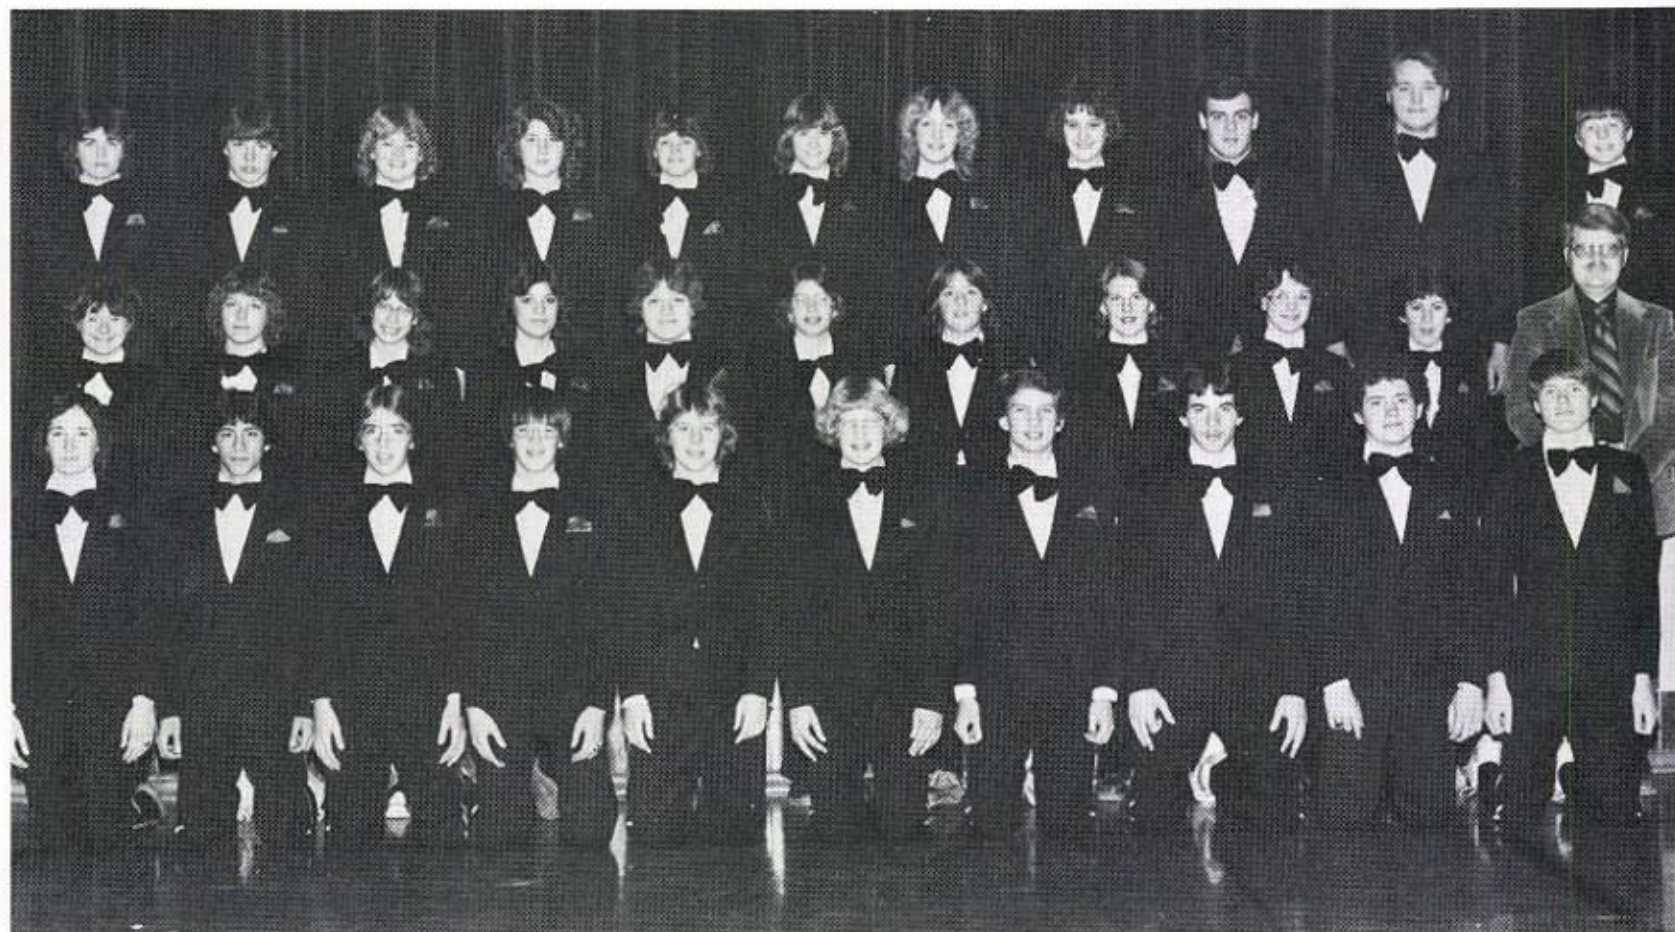

The Redbirds started the marching season with many practices. They had some new flagcorp girls along with experienced ones returning. The band was pleased to have their first Rifle Corp.

The Redbirds took the first step of the season under the hot September sun at ISU. There the band participated in the McLean County Band day along with five other bands.

The band summed up the marching season with the playoff game against Lexington. The memories still linger of the nervousness before a performance and the relief afterwards.

Masque and Gavel is a very active group. The main purpose of Masque and Gavel is to introduce students to drama. Students are invited into Masque and Gavel based on participation in two or more speech or drama activities. This year the club bought lights for the stage. The club also uses their money to go to play productions. This year they traveled to **A Chorus Line**, **Camelot**, and **My Fair Lady**. They also helped sponsor the fall play, dinner theatre, and spring musical. This year's officers are Marti Miller, Captain; Eric Elder, Co-Captain; and Lori Seeman, Secretary; and Brad Schleder, Treasurer.

AFS is defined as the American Field Service. Its purpose is to unite people from all over the world. Although we did not have an AFS student this year, two of our students went overseas on the summer exchange program. Chris Eash went to Sri Lanka and Bob Johnson went to the Netherlands. The group sponsors the talent show each spring. They also sell candygrams for Valentines Day to raise money.

The Janitors: The janitors help to maintain our school. Beside the daily routine, the janitors also set up for basketball games, dances, plays, and clean up after all school activities. We really appreciate their help, concern and friendliness toward our school faculty and students.

Shirley Corrie: Runs the lunch stand for the students and teachers.

Bus Drivers: The bus drivers are given the responsibility of getting the students to and from school safely and on time. They often serve as chauffeurs for students to athletic events and field trips, etc.

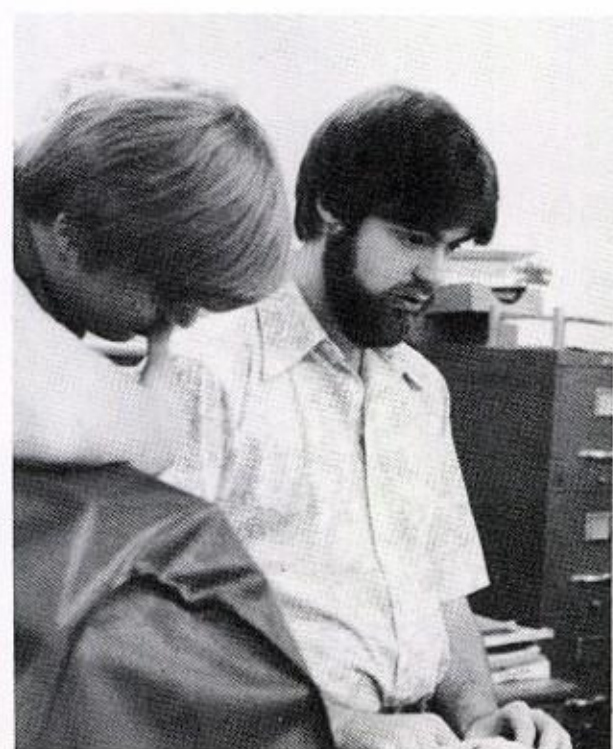

TEACHERS OF TOMORROW

Mr. Greg Freeh was the Agriculture student teacher. He was under the instruction of Mr. Zimmerman. Mr. Freeh majored in Ag. Education at ISU.

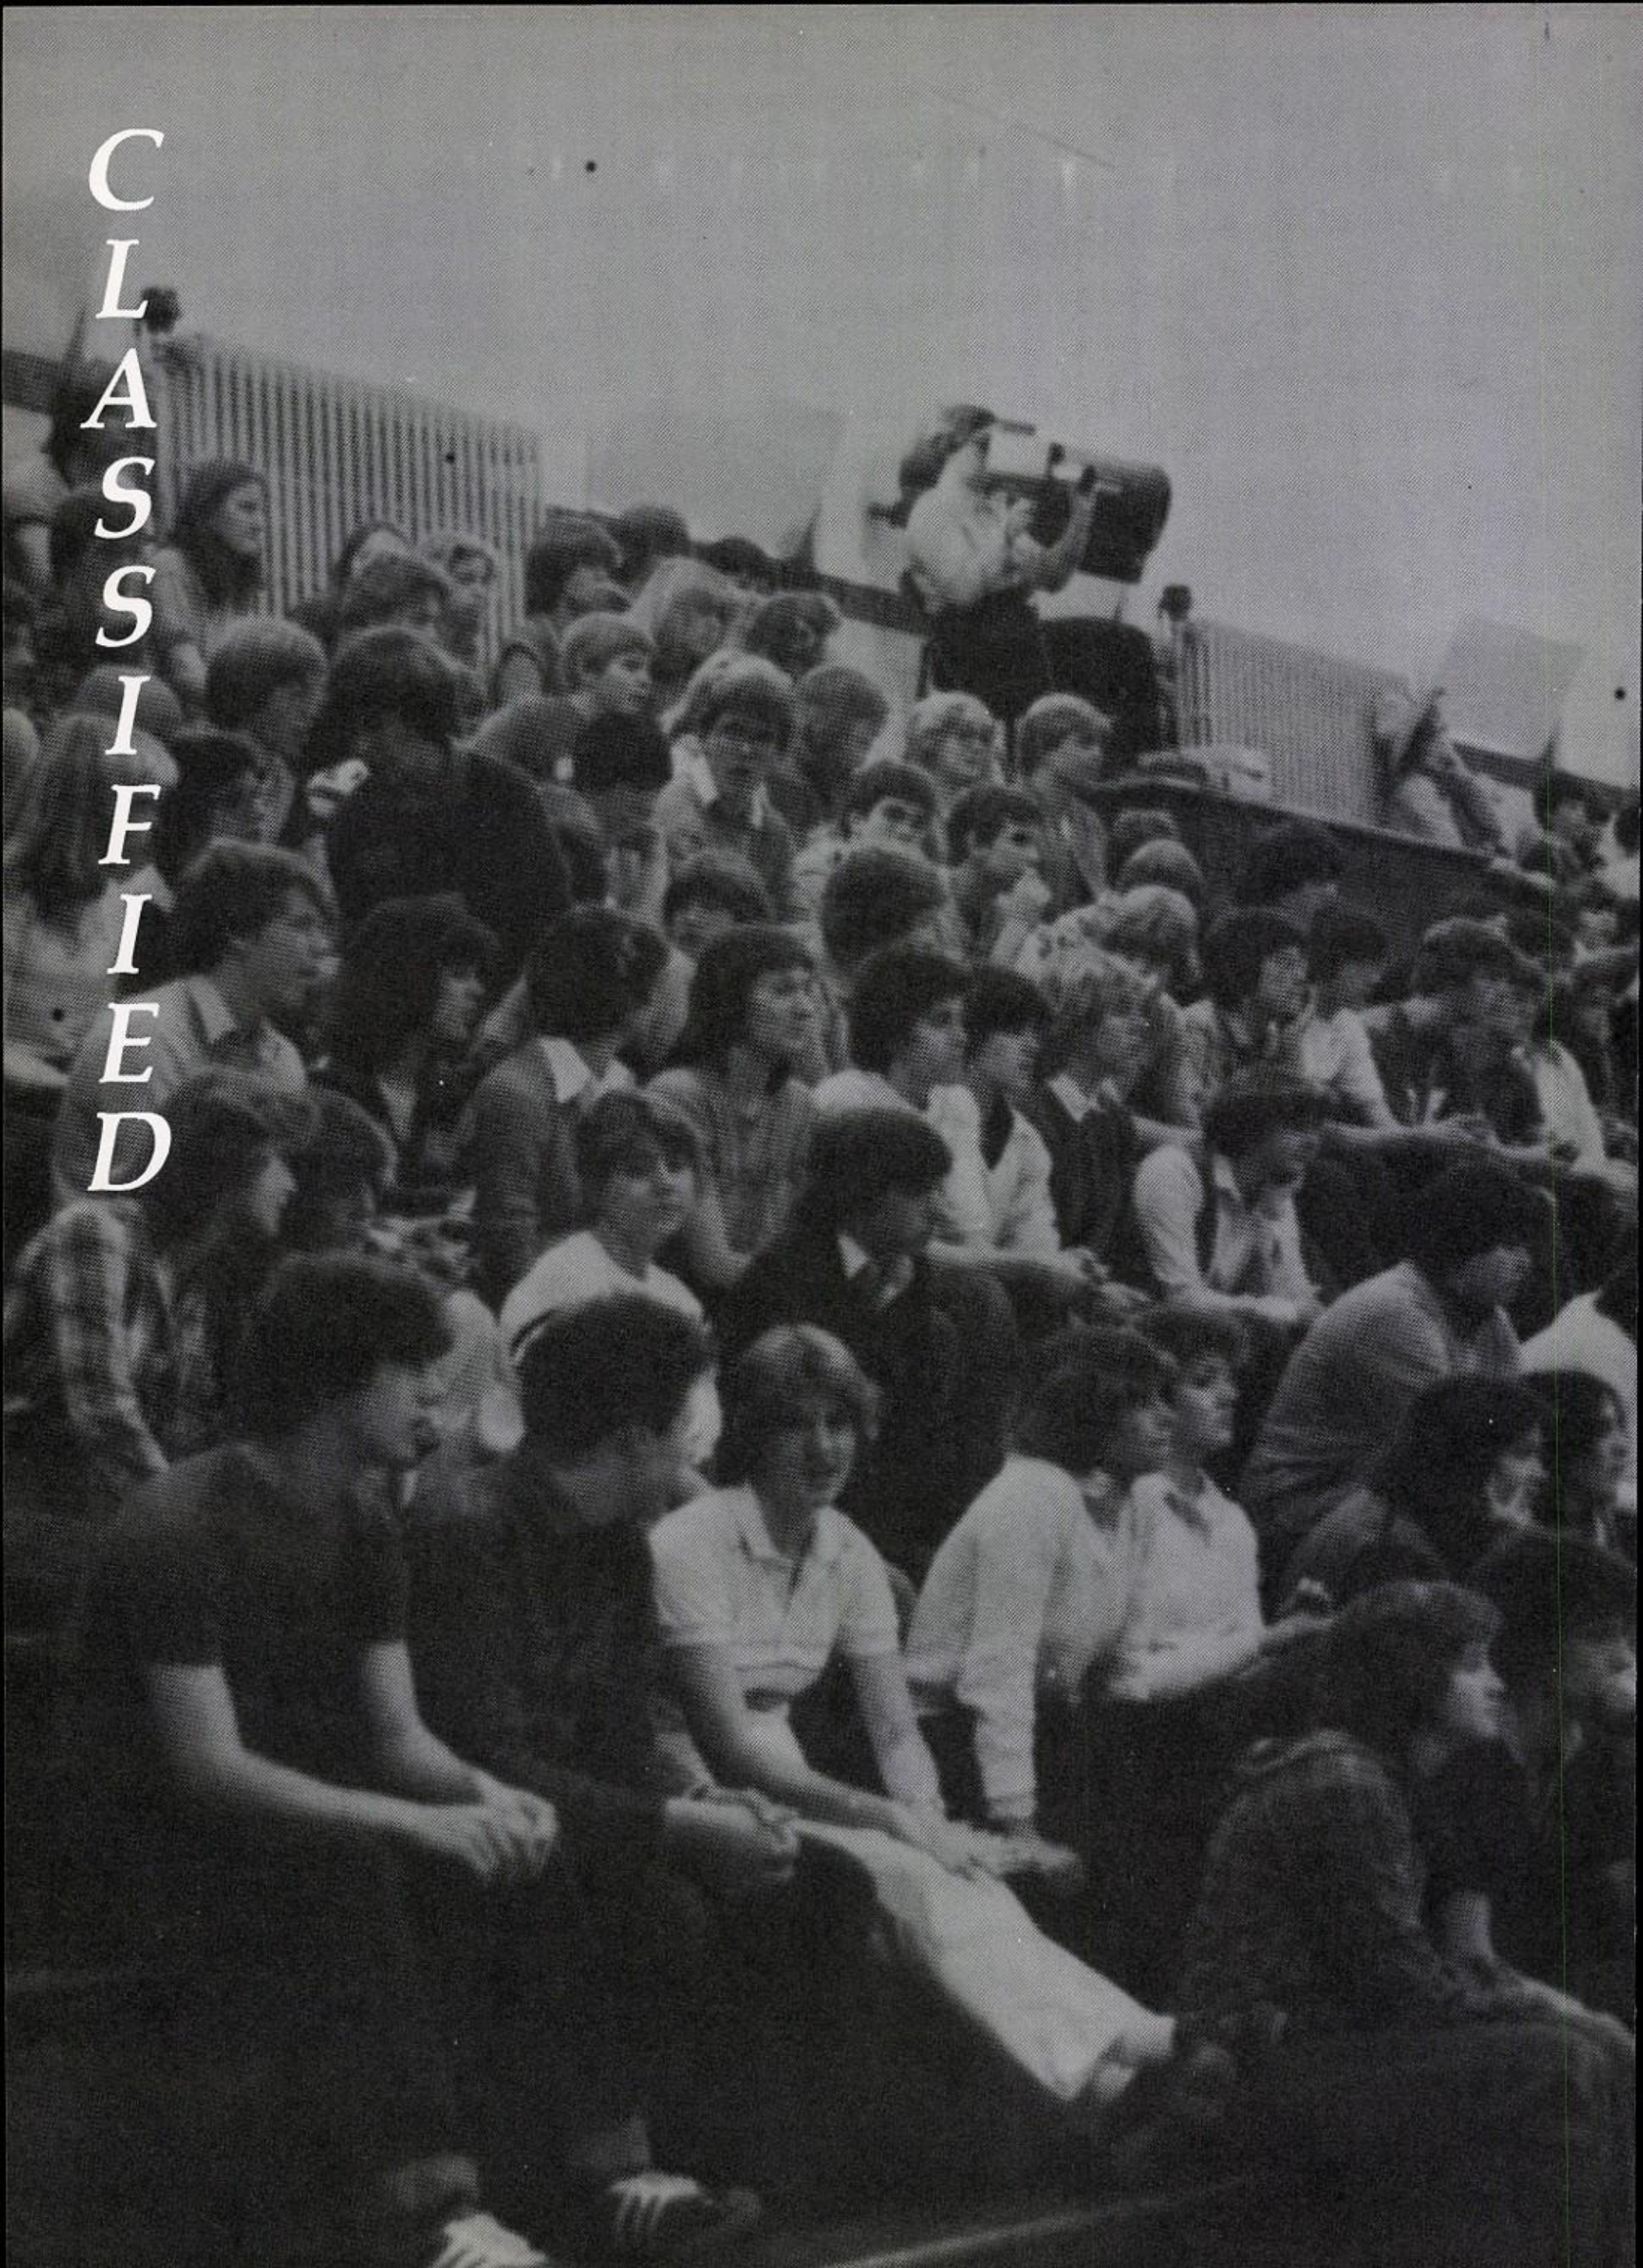

Mr. Whitver, the band instructor, again had a student teacher from ISU. Miss Becky Coleman was an Instrumental Music major and she specialized in the flute.

Mr. Bruce Connelly was the student teacher in Industrial Arts under the instruction of Mr. Bell. He majored in Industrial Technology. He went to school at Morrison School of Technology, Salt Valley Junior College, and then finished at ISU.

Becky - congratulations to one of the warmest, most good-natured people ever to pass through this place. I always appreciated your ready smile. I also appreciated your work on the Chenoa Scholastic Bowl - we couldn't have done it without you and you didn't receive the recognition you deserved. Thank you. Hope your college life is enjoyable and profitable. Let us hear from you - we'll be interested in your progress. Sincerely

Becky,
last year was
great because of you.
I am glad we became
such good friends and I hope
we can stay that way. I am
going to have to come visit you
some weekend. We can go looking for
guys. I can't wait. Only now I have one
from here I want to take with me. But maybe
I could stay away from him for awhile. I doubt
it though. I really miss you this year. School isn't the
same at all. I can't think of anything else to say and
I have to do my history. Thanks for being such a great
friend. Good luck & stay sweet.

Love
Sharon

Becky,
It was lots of fun
last year, especially in
library. I'm still trying
to count all the days I was
kicked out. But it was fun to
get Mrs. & all ruled up. Good luck
in whatever you do. And thanks for all
those answers to the crossword puzzles!
